

Video-Assisted Speech-to-Speech (VA-STS)

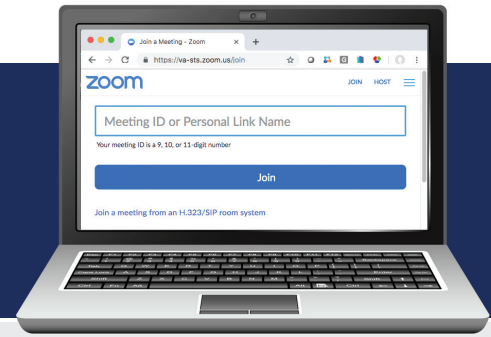

How-to Instructions for STS Users

Video-Assisted Speech-to-Speech allows a person who has a speech disability to use both a **telephone** and a **video device** to make relay calls.

To connect to Relay Colorado
Speech-to-Speech Service
dial **711** or call **1-877-659-4279**

To Access Zoom from Computer or Laptop

1 Connect to Speech-to-Speech with your phone, dial:

711 or

1-877-659-4279

2 Inform the STS operator that you would like to make a VA-STS call.

The STS operator may give you instructions if needed.

3 Go to **<https://va-sts.zoom.us>**
Then click **Join**.

Video Assisted Speech-To-Speech

Click 'Join' to begin your video session

Video Assisted Speech-To-Speech is supported on the following web browsers:

Google Chrome 53.0.2785 or higher

Microsoft Edge 38.14393.0.0 or higher

Safari 10.0.602.1.50 or higher

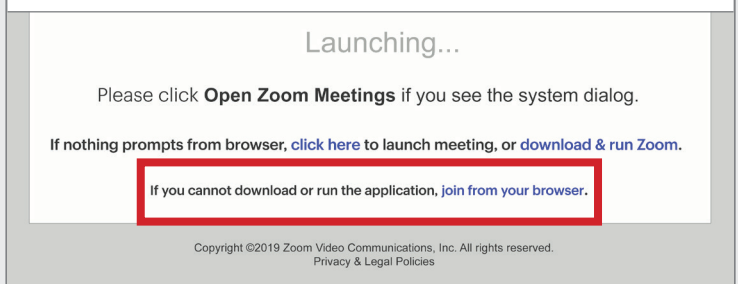

Firefox 49.0 or higher

4 The STS operator will give you the **Meeting ID** number to fill in the field labeled Meeting ID.

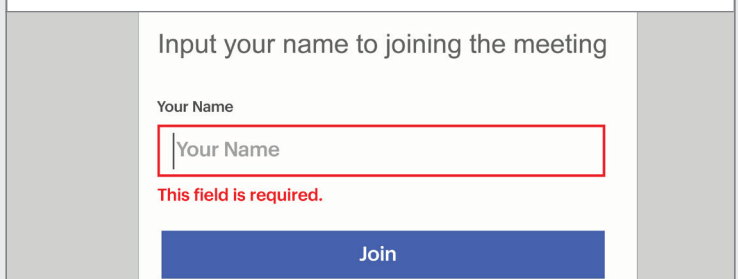

Click **Join**.

5 Launching screen appears, click the **Join from your browser** link.

6 Type in your name. Your true name is not required and a pseudo name may be chosen, e.g. anonymous.

contact the Relay Colorado STS Customer Service
1-877-787-1989

7 Once connected, click the **X** on the right side. Your computer webcam should turn on.

If not, move your mouse to the lower left and click the **Start Video** icon.

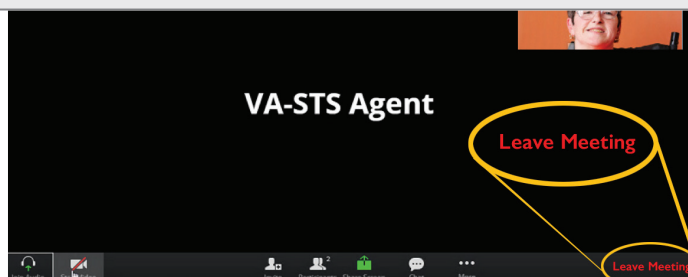

8 This is a one-way video connection – the STS operator will see you but you will not see the operator.

You are all set to give the STS operator your call instructions using STS with VA-STS.

9 When your VA-STS phone call ends, click **Leave Meeting** to “hang up” and log out.

NOTE: If you do not log out, you will remain connected to the meeting room.

Important Information

Before making your first VA-STS call, you are encouraged to request **one-on-one training**, in person or remotely, to facilitate a quality experience with VA-STS.
