

WELCOME TO THE **Safari Day Access Now**

Workshop Schedules

ASL and Captions are available at these workshops.

All workshops are located at Gates Building (next to Zoo Gardens) in the TreeTop Studio

11:00 - 11:30 am
TECHNOLOGY WORKSHOP
Apple Accessibility

Presenters: Sam Martinez from TelTex.
Learn the accessibility features of your Apple device.

11:45 - 12:15 pm
KIDS WORKSHOP
Reading with Your Deaf Child

Presenters: Colorado School for the Deaf and the Blind (CSDB).
Strategies for reading with your deaf child at an early age. Storytime included.

12:30 - 1:00 pm
TECHNOLOGY WORKSHOP
Android Accessibility

Presenters: Heather Wilcox & JoAnne Hirsch from Colorado Commission for the Deaf, Hard of Hearing, and DeafBlind (CCDHHDB).
Learn the accessibility features of your Android device.

1:15 - 1:45 pm
TECHNOLOGY WORKSHOP
Hearing Loops & How to Access Them

Presenters: Wynne Whyman from Let's Loop.
Learn how you can hear better in private and public places, types of hearing loops, ADA requirements, and Google Maps' new hearing loop feature.

2:00 - 2:30 pm
TECHNOLOGY WORKSHOP
All Things Assistive Technology

Presenters: Sam Martinez, Teltex, JoAnne Hirsch, CCDHHDB, Heather Wilcox, CCDHHDB, Lorri Dean, Relay Colorado & Keith Clark, T-Mobile Accessibility.
General Q&A for anything related to technology accessibility, including DeafBlind services, plus an opportunity for hands-on learning with your device.

2:45 - 3:15 pm
KIDS WORKSHOP
Feel the Beat

Presenters: Feel the Beat.
Come join Feel the Beat for a family friendly movement class for everyone where we will move our bodies and use our imaginations!

Thank you to Let's Loop Colorado! and OTOjOY for providing hearing loop assistance for these workshops.
